INFORMATION DISCLOSURE STATEMENT

BOX PATENT APPLICATION

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Dear Examiner:

Listed on the accompanying Form PTO-1449 are documents and information that may be considered material to the examination of this application. Copies of the documents listed were submitted in the parent application serial no. 10/227,129 filed August 24, 2002. The Form PTO-1449 is being submitted in compliance with the duty of disclosure requirements of 37 CFR §§ 1.56, 1.97 and 1.98.

Applicants have listed publication dates on the attached PTO-1449 based on information presently available to the undersigned. However, the listed publication dates should not be construed as an admission that the information was actually published on the dates indicated.

Applicants believe that the claimed invention is patentable over all of the cited information and hereby reserve the right to establish the patentability of the claimed invention over any of the information provided herewith, and/or to prove that this information may not be prior art, and/or to prove that this information may not be enabling for the teachings purportedly offered.

This statement should not be construed as a representation that a search has been made, or that information more material to the examination of the present patent application does not exist. The Examiner is specifically requested not to rely solely on the material submitted herewith.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Mike Lindsey", is written over a horizontal line.
